

No Woman No Cry Tab by Bob Marley

No woman no cry
No woman no cry
No woman no cry
No woman no cry

Cos, cos, cos I remember when we used to sit
In a government yard in Trench town
Obba, observing the hypocrites
Mingle with the good people we meet
Good friends we have
Oh, good friends we have lost
A-long the way
In this great future,
You can't forget your past
So dry your tears, I say

No woman no cry
No woman no cry
Little darling, don't shed no tears
No woman no cry

Said I remember when we use to sit
In the government yard in Trench town
And then Georgia would make the fire lights
I say, log a would a burnin' through the nights
Then we would cook cornmeal porridge, I say
Of which I'll share with you (yeah)
My feet is my only carriage
And so I've got to push on through,
Oh, while I'm gone

Everything's gonna be alright
Everything's gonna be alright

No woman no cry
No woman no cry

I say little darlin'
Don't shed no tears
No woman no cry
