

Don't worry, be happy

B

Here's a little song I wrote

C#m

You might want to sing it note for note

E

B

But don't worry, be happy

B

Every life we have some trouble

C#m

When you worry you make it tall

E

B

But don't worry, be happy

B

C#m

Uh, uh don't worry

E

B

Uh, uh Be happy 2x

Uh, uh, uh, uh, don't worry, be happy

Ain't got no place to lay your head

Somebody came and took your bed

But don't worry, be happy

The Long Lord said your rent is let

You may have to let the bed

But don't worry, be happy

(Look at me, right now, at me)

Uh, uh don't worry

Uh, uh Be happy 2x

Uh, uh, uh, uh, don't worry, be happy

Ain't no cash, ain't got no style

Ain't got no gall to make you smile

But don't worry, be happy

'Cause when you're worried you face with frown

And that would bring everybody down

So don't worry, be happy

(Don't worry, be happy now)

Uh, uh don't worry

Uh, uh Be happy 2x

Uh, uh, uh, uh, don't worry, be happy

Uh, uh don't worry, don't worry, don't do it

Uh, uh be happy, the smile on your face, don't bring everybody down

Uh, uh don't worry

Uh, uh it'll soon pass, what the worry is?

Don't worry, be happy

Uh, uh, I'm not worried

Uh, uh, I'm happy

Uh, uh, uh, uh
