Em D Em D Em
You know the day destroys the night, night divides the day

D D D
Tried to run, tried to hide

Em
Break on through to the other side,
break on through to the other side,
Break on through to the other side, yeah.

Em D Em D
We chased our pleasures here, dug our treasures there
D D D D
But can ya still recall the time we cried?

Em
Break on through to the other side,
break on through to the other side.
Break on through to the other side,

E7#9
Everybody loves my baby, everybody loves my baby,
E7#9
She get...She get...She get...She get...high.....

Em D Em D
I found an island in your arms, country in your eyes,
D D D D
Arms that chain, eyes that lie.

Em
Break on through to the other side,
break on through to the other side.
Break on through to the other side,

E7#
Made the scene, week to week, day to day, hour to hour

Gate is straight, deep and wide

Emajor
Break on through to the other side, break on through to the other side,
Break on through, break on through, break on through
Break on through, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah!
