Introduction

You said you was [C#] hurting, almost lost your mind,
 And the man you [F#] love, he hurts you all the time.
 When things go [C#] wrong, go wrong with [G#] you,
 [F#] It hurts me, [C#] too. [G#]

You love him [C#] more when you should love him less.
 I pick up be[F#]hind him and take his mess.
 When things go [C#] wrong, go wrong with [G#] you,
 [F#] It hurts me, [C#] too. [G#]

He love another [C#] woman and I love you,
 But you love [F#] him and stick to him like glue.
 When things go [C#] wrong, go wrong with [G#] you,
 [F#] It hurts me, [C#] too. [G#]

Solo

Now you better [C#] leave him; he better put you down.
 Oh, I won't [F#] stand to see you pushed around.
 When things go [C#] wrong, go wrong with [G#] you,
 [F#] It hurts me, [C#] too. [G#]

Solo

[C] [C#]
