

Key To The Highway Eric Clapton

I got the [E] key to the [B] highway,
[A] Billed out and bound to go.
I'm gonna [E] leave here running;
[B] Walking's much too [E] slow. [A] [E] [B]

I'm going [E] back to the [B] border
[A] Woman, where I'm better known.
You know you [E] haven't done nothing,
[B] Drove a good man away from [E] home. [A] [E] [B]

When the [E] blue peaks over the [B] mountains
[A] I'll be on my way.
I'm gonna [E] roam this old highway
[B] Until the break of [E] day. [A] [E] [B]

Oh give me [E] one, one more kiss [B] mama
[A] Just before I go,
'Cause when I [E] leave this time you know I,
[B] I won't be back no [E] more. [A] [E] [B]
