

Keb Mo - Closer

| F - C | F - C | F - C | G - G | x2

It's a lovely night, a beautiful evening, time is slipping away
It's getting late, you should be leaving, but I've got something to say

	C		G		F		F	
	C		G		E		Am	
	F - C		F - G		C		C	

Please, don't go, let's get closer, a little bit closer
Turn the lights down low, need to let you know
I'm so in love with you, getting closer is all I wanna do

We've been friends, close companions, there's nothing to conceive
So I'm letting know, my little secret, . . . to tell you how I feel

So please, don't go, let's get closer, a little bit closer
Turn the lights down low, need to let you know
I'm so in love with you, getting closer is all I wanna do
