A7

It's no secret, i don't care
Gonna shout it out everywhere

D7 A

Well i love my baby, hot, cold, fast or slow

E D A7

Cause i love my baby, gonna tell everybody i know

In the evening in my bed

I hear voices in my head

They say never, never ever let her go

Cause i love my baby, gonna tell everybody i know

You know i love my baby, gonna tell everybody i know

C D A

Other women don't mean a thing to me

C D E

Well you can pack em all up, drop em all in the sea

If i got no money She don't care

She'll open up her pocket book and pay my fare

Well i know she loves me up, down high and low

yes i love my baby, gonna tell everybody i know

You know i love my baby, gonna tell everybody i know

C D A

Other women don't mean a thing to me

C D E

Well you can pack em all up, drop em all in the sea
