Hey Lily, raconte nous !

When she was 22  
Her future looked bright  
But she's nearly 30 now  
And she's out every night  
I see that look in her face  
She's got that look in her eye  
She's thinking how did I get here  
And wondering why

It's sad but it's true how society says  
Her life is already over  
There's nothing to do  
And there's nothing to say

C'est vrai Lily, c'est vrai  
Elle voit la vie en duo  
Voit la suite, du haut de ses épaules et de son dos  
Elle envoie des mots  
Des mots qui tombent à l'eau

Elle dit que sa vie se réduit à un petit étui  
Elle n'a plus la pupille qui brille, qui scintille et qui pétille  
Assise par terre et pas très fière, de sa petite carrière  
Loin de ce qu'elle rêvait d'hier, solitaire trentenaire

It's sad but it's true how society says  
Her life is already over  
There's nothing to do  
And there's nothing to say

Elle voit la vie en duo  
Voit la suite, du haut de ses épaules et de son dos  
Elle envoie des mots  
Des mots qui tombent à l'eau

It's sad but it's true how society says  
Her life is already over  
There's nothing to do  
And there's nothing to say

Elle voit la vie en duo  
Voit la suite, du haut de ses épaules et de son dos  
Elle envoie des mots  
Des mots qui tombent à l'eau
