

Soko I'll kill her
[Am] [F] [C] [G]

So, of course, you were supposed to call me tonight.

You were supposed to call me tonight.

We would have gone to the cinema

And after to the restaurant,

The one you like in your street.

We would have slept together,

Have a nice breakfast together.

And then a walk in a park together.

How beautiful is that!

You would have said "I love you"

In the cutest place on earth

Where some lullabies are dancing

With the fairies.

I would have waited like a week or two but you never try to reach me, no, you never call me back.

You were dating that bleached blond girl

If I find her I swear, I swear

CHORUS

I'll Kill Her, I'll Kill Her.

She stole my future,

She broke my dream,

I'll Kill Her, I'll Kill Her.

She stole my future

When she took you away

I would have met your friends

We would have had a drink or two.

They would have liked me,

'Cause sometimes I'm funny!

I would have met your dad,

I would have met your mum.

She would have said 'please, can you make some beautiful babies?'

So we could have had a boy called Tom, and a girl called Susan

Born in Japan !

I thought it was a love story,

But you don't want to get involved.

I thought it was a love story,

But you're not ready for that.

Me neither,

CHORUS

I'll Kill Her,

She stole my future,

She broke my dream,

I'll Kill Her, I'll Kill Her.

She stole my future

When she took you away

She's a bitch, you know

All she's got is blondness

Not even tenderness

Yeah, she's clever... less.

She'll dump your ass for a model called Brandon

He would pay for a beautiful surgery cause he's full of money

I would have waited like a week or two but you never try to reach me, no, you never call me back.

You were dating that bleached blond girl

if I find her, I swear, you know I swear

CHORUS

I'll Kill Her, I'll Kill Her.

She stole my future,

She broke my dream,

I'll Kill Her, I'll Kill Her.

She stole my future

When she took you away

CHORUS

I'll Kill Her, I'll Kill Her.

She stole my future,

She broke my dream,

I'll Kill Her, I'll Kill Her.

She stole my future

When she took you away

Man I told you, You know

If I find her I'll really...

I'll Kill Her for real !

That's for sure

You have to know, I mean er...

You know I can do it

Man... I'll Kill Her !
